

Blueberry Buckle Coffee Cake

Martha's
ALL NATURAL

Great-grandma used fresh blueberries for her buckle. If they are not in season used canned or frozen ones, but be sure to rinse and drain well.

To every pound (2 1/2 cups) dry mix add:

1/2 cup butter, softened
1 egg
2/3 cup warm water
2 cups blueberries

Topping:

1/2 cup sugar
1/3 cup flour
1/2 tsp. cinnamon
1/4 cup butter, softened

Sprinkle the cake with the topping and bake
Bake at 375° for 50 minutes

Enjoy, **MARTHA**
